
HIMMERLAND GOLF & SPA IN NORTH JUTLAND, DENMARK

HPC TERRAZZO APPLICATION: AALBORG WHITE ® CEMI 52,5R-SR5

PROJECT DESCRIPTION

In the middle of the North Jutland nature, you will find the great Himmerland Golf & Spa Resort. The resort offers among other things a wellness area, which oozes of tranquility and well-being. Here you will find a spa furniture with footbaths that are made of High Performance Concrete Terrazzo based on AALBORG WHITE®. The pretty terrazzo colour is custom-made for Himmerland Golf & Spa, since it had to match the Nordic and minimalistic style, which at the same time oozes of relaxation and southern atmosphere.
